

PRIVACY POLICY

We, SUGO, a limited liability company based in Zurich in beautiful Switzerland, take the protection of your personal data seriously. In the following, we inform you about how we collect, use, store and protect your data.

1. Data we collect

We collect personal information from you when you contact us. This may include your name, email address, phone number, and other information that you voluntarily provide.

2. Use of your data

We use your data to process your requests, to provide you with information and to improve our services. Your data will not be disclosed to third parties unless required by law or you have given your express consent.

3. Storage and security

We only store your data for as long as it is needed to fulfill the purposes for which it was collected or as required by law. For example, if we are working on a project together, I will need access to the data needed to complete the project. We take reasonable security measures to protect your data from unauthorized access, misuse or loss. (Cloud, 2-factor authentication)

4. Cookies

We do not use cookies that could track you or be used for retargeting. We also do not collect any analytical data. However, in order to show you this, we have to set a one-time message that requires a cookie.

5. Your rights

You have the right to access, correct, update or delete your personal data. You may also object to the processing of your data or request the restriction of its use. Please contact us to exercise your rights or for more information.

Please note that this Privacy Policy is a general overview and may not contain all details. If you need more information or have specific questions, please contact us.
